

5A

## Chatterbox Criteria

1. We should speak clearly, politely, sensibly & at a reasonable volume.
2. We should speak about the task that the teacher has set us.
3. We should take turns to speak and both have the same amount of time to talk and listen.
4. We should give each other a chance to think & speak and not speak over each other.
5. We should work together by both giving ideas and not arguing.
6. We should speak in language that our partner understands & use new & relevant vocab that we have learnt.
7. We should both have equal time as the speaker and the listener.
8. We should show whole body listening by looking at our partner, sitting up straight & keeping our hands in our laps.
