

# The legacy of Roman language

Name:

Date:

Originally the Romans only had ten months in their calendar. However, later on two more months were added.

Can you complete this table?

Roman months	What we call the month today
Januarius	
Februarius	
Martius	
Aprilis	
Maius	
Junius	
Julius	
Augustus	
September	
October	
November	
December	

What other words do we use today that come from Roman times?
